Sir:

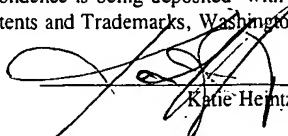

Applicant calls the Examiner's attention to the patents and publications listed on the attached Form PTO-1449, copies enclosed, which may be pertinent to the above-identified application.

This Information Disclosure Statement shall not be construed as a representation that a search has been made or that no other art than that identified exists.

While none of the listed prior art shows or suggests applicant's claimed invention, it is believed that they are of interest herein and consideration and citation as of interest by the Examiner is respectfully requested. Some of the publications are undated. Filing of this Information Disclosure Statement does not indicate that such publications are prior art relative to this application.
